VWA fees are due prior to their PVL match scheduled for 16 May, 2010. Players are responsible to ensure these fees are paid directly to VWA on time.

Top Cats set the standard

Balcatta Volleyball Club was formed in 1995 and joined the Perth Volleyball League (PVL) that same year. Since then, the club has established an impressive track record, winning seven PVL Superleague premierships (5 men and 2 women). In 2009, the Club had more than 100 members and fielded 11 men's and women's teams across ten divisions, in both senior and junior age groups.

The 2010 season promises to be another stellar year as the Club strives to maintain the strength and vitality that has brought it so much success.

New players welcome

If you are interested in playing for Balcatta in 2010, come along to one of our training nights. Balcatta caters for juniors through to senior women and men, from beginners to experienced players, and is affiliated with Volleyball WA, Volleyball Australia and the FIVB.

The Club has many elite athletes and last year fielded a number of players in State and National teams. All players are provided with quality coaching and excellent administrative support.

Games and training

PVL games are mostly played on Sundays at the Loftus Recreation Centre in Leederville, between 9am and 4pm. From time-to-time

throughout the season, additional games may be held on Friday nights.

Club training sessions are held once a week for about two hours at Newman College in Churchlands, either Mondays, Wednesday or Thursdays.

Training times are set when teams are selected. Initially, all grades will train on the same nights and same times, as follows:

Men's training: Mon. 22 March (7.30pm-9.30pm)
Women's training: Thur, 25 March (6.30pm- 8.30pm)

Social events and games

The Balcatta Cats are also known for their success off the court hosting a series of social events over the course of each season. Check out our calendar of events on the back of this flyer for more information.

Balcatta also runs a weekly high level social indoor volleyball competition on Wednesday nights at Newman College. This competition is a great way to get in shape for PVL or to have a mid-week game with your friends during the season, in a fun and social atmosphere.
